Alert No. 069

CONSTRUCTION ALERT

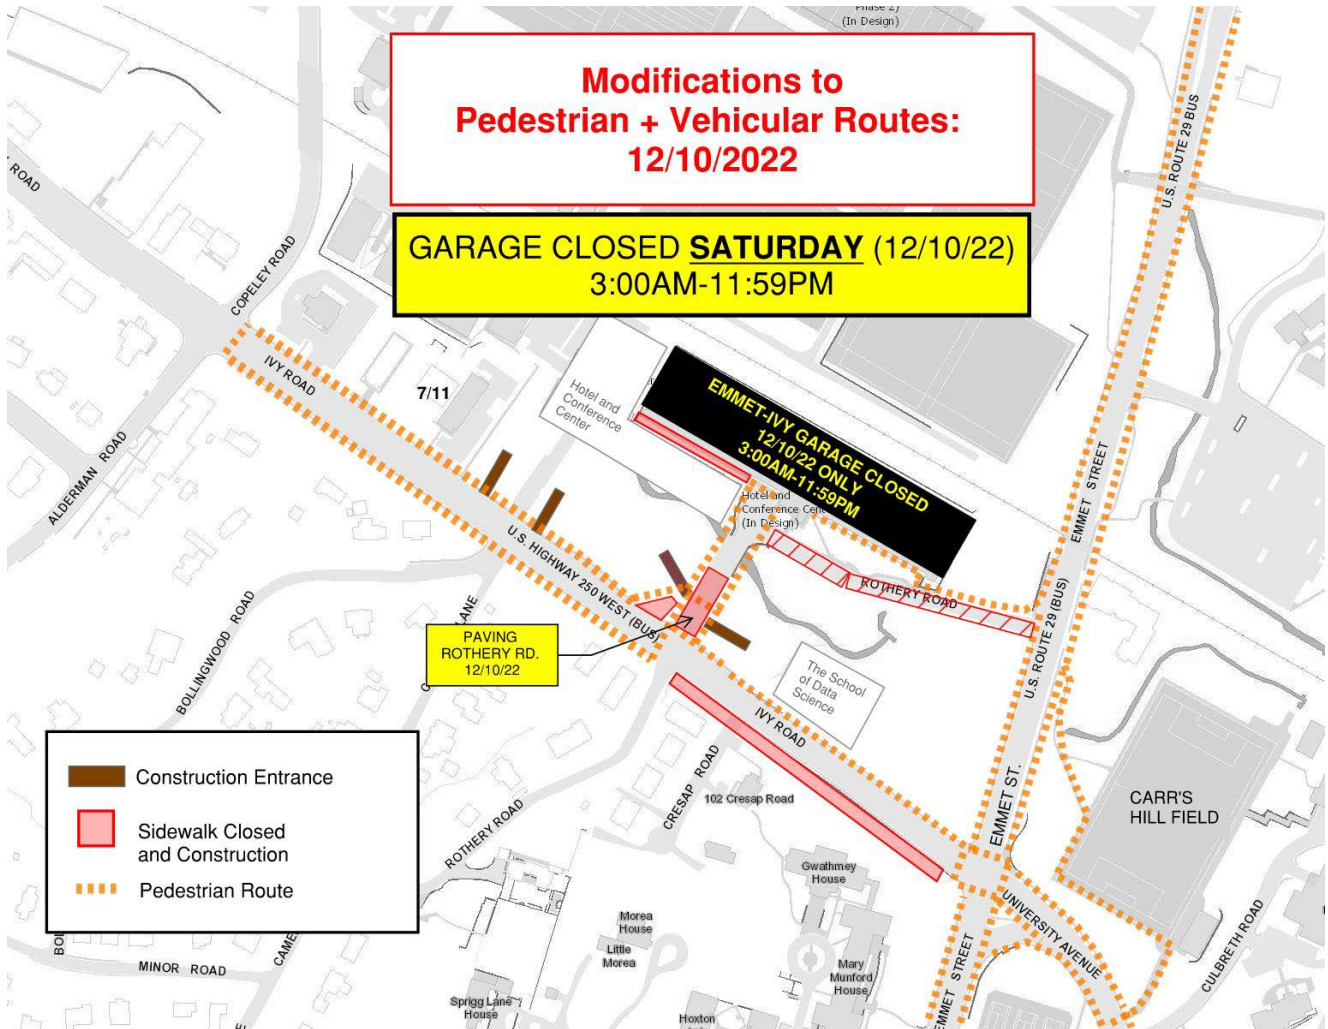

Emmet-Ivy Corridor Public Realm Project
Saturday, December 10th – Friday, December 16th

WHAT'S THE LATEST CHANGE?

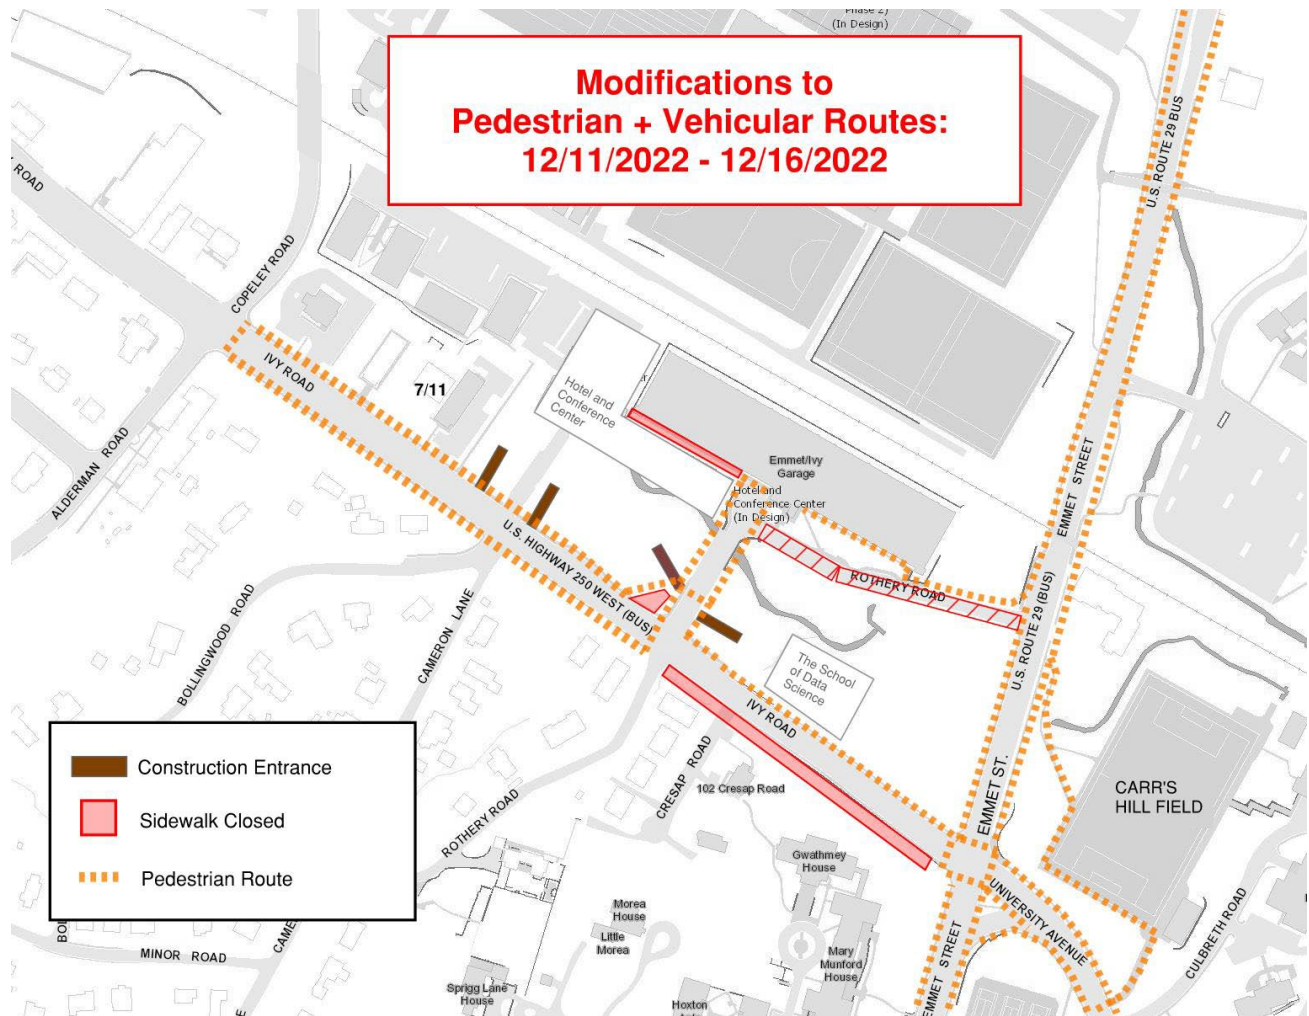

Vehicles: The Emmet-Ivy Garage will be closed for paving on Saturday, December 10th, from 3:00 am until 11:59 pm. Rothery Rd. will be closed, and no vehicles can enter or exit during this construction. The garage will function as usual on Sunday, December 11th.

PEDESTRIANS:

- **Pedestrians:** The Emmet-Ivy garage west stair tower is open, but the sidewalk along the southwest side of the garage is closed. Signage will guide pedestrians to enter/exit the west stair tower through the garage. The sidewalk will be accessible during an emergency.
- **Pedestrians:** A new construction entrance is created south of the Rothery Rd. bridge. Construction trucks and traffic will cross over the sidewalk into the site. Flaggers will be assisting with pedestrian and vehicular traffic.
- **Pedestrians:** The sidewalk along the north side of Ivy Rd. is closed at the intersection of Rothery Rd and Ivy Rd. due to the temporarily disabled crosswalk signal and ongoing construction. Pedestrians headed east and west on Ivy Rd. use the bypass pedestrian path from Rothery Rd. to avoid the construction.
- **Pedestrians:** The sidewalk along the south side of Ivy Rd. is closed.
