CONSTRUCTION ALERT CONTEMPLATIVE COMMONS

ITEMS OF INTEREST:

- Sidewalk Impact between Ridley Hall and Bonnycastle

DESCRIPTION OF WORK

Between July 26-August 9, 2023, Hourigan Construction will perform work to complete the western pedestrian bridge abutment at the Contemplative Commons project. The work will require brief, intermittent sidewalk closures at the walkway between Bonnycastle House and Ridley Hall. Signage will be provided to route pedestrians around the closure.

BACKGROUND:

The Contemplative Commons project will add a new 4-story academic building on the site of an existing surface parking lot adjacent to the Dell Pond and School of Education. New pedestrian bridges will create an ADA connection from Newcomb Plaza to the McCormick Rd Dorm area.
