Alert No. 071

CONSTRUCTION ALERT

Emmet-Ivy Corridor Public Realm Project
Saturday, January 14th – Friday, January 20th

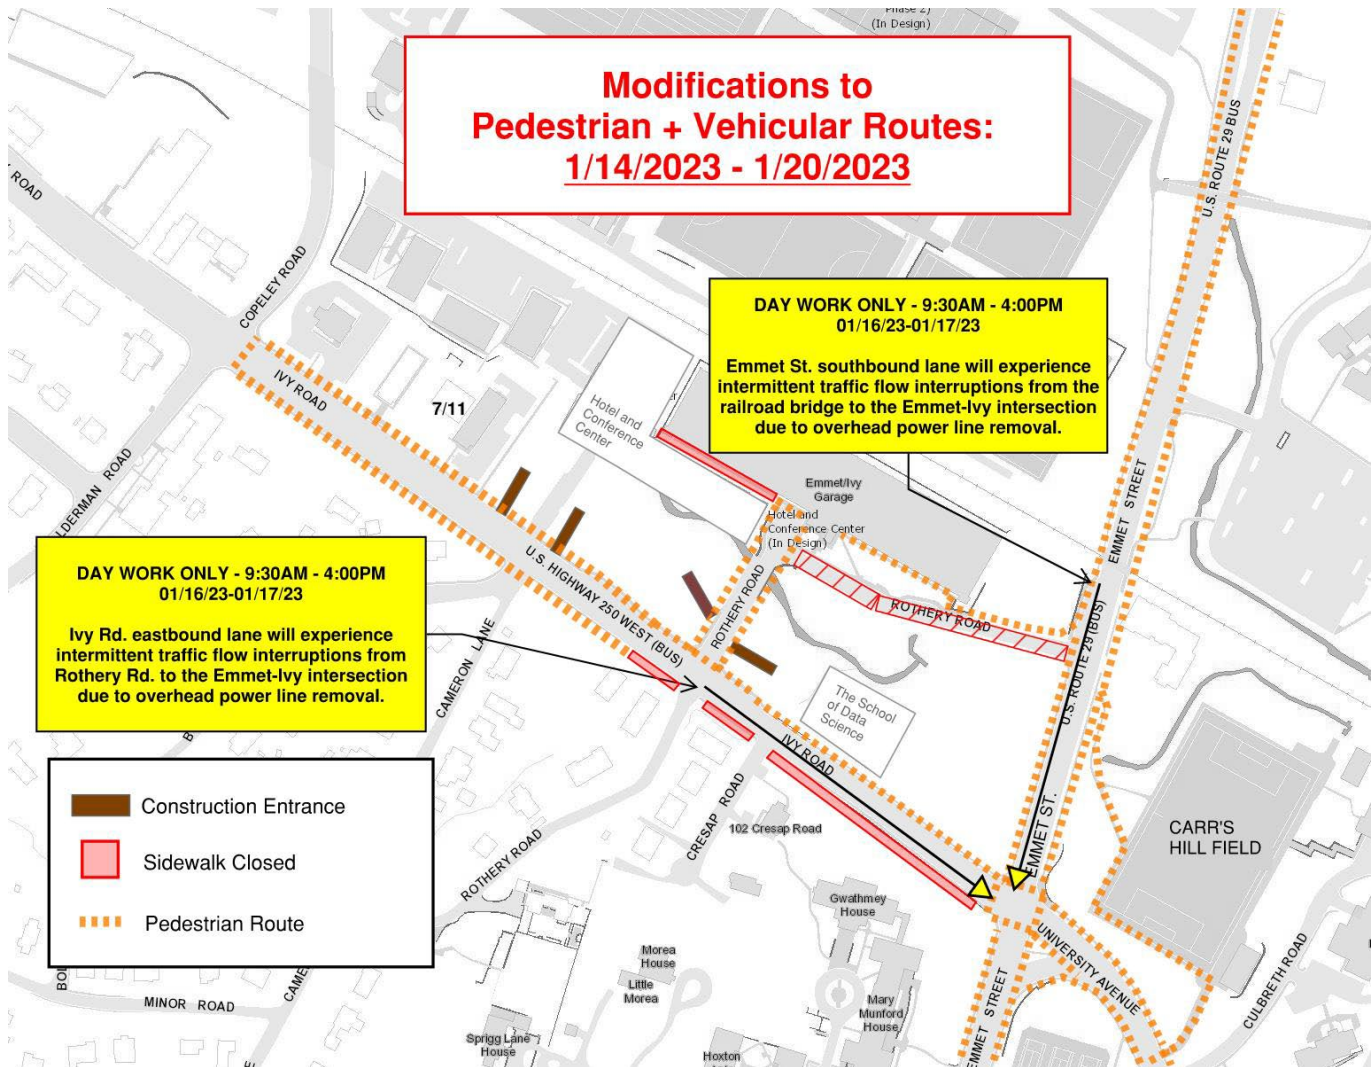

WHAT'S THE LATEST CHANGE?

Monday, January 16th, and Tuesday, January 17th, from 9:30am-4:00pm, Emmet St. and Ivy Rd. will experience intermittent lane interruptions due to overhead powerline removal.

**Emmet St. location – Emmet St. railroad bridge to the Emmet-Ivy intersection.
Ivy Rd. location - Rothery Rd. to the Emmet-Ivy intersection.**

PEDESTRIANS:

- **Pedestrians:** The Emmet-Ivy garage west stair tower is open, but the sidewalk along the southwest side of the garage is closed. Signage will guide pedestrians to enter/exit the west stair tower through the garage. The sidewalk will be accessible during an emergency.
- **Pedestrians:** A new construction entrance is created south of the Rothery Rd. bridge. Construction trucks and traffic will cross over the sidewalk into the site. Flaggers will be assisting with pedestrian and vehicular traffic.
- **Pedestrians:** The sidewalk along the south side of Ivy Rd. is closed.
