Alert No. 074

CONSTRUCTION ALERT

Emmet-Ivy Corridor Public Realm Project Saturday, March 4th – Friday, February 10th

WHAT'S THE LATEST CHANGE?

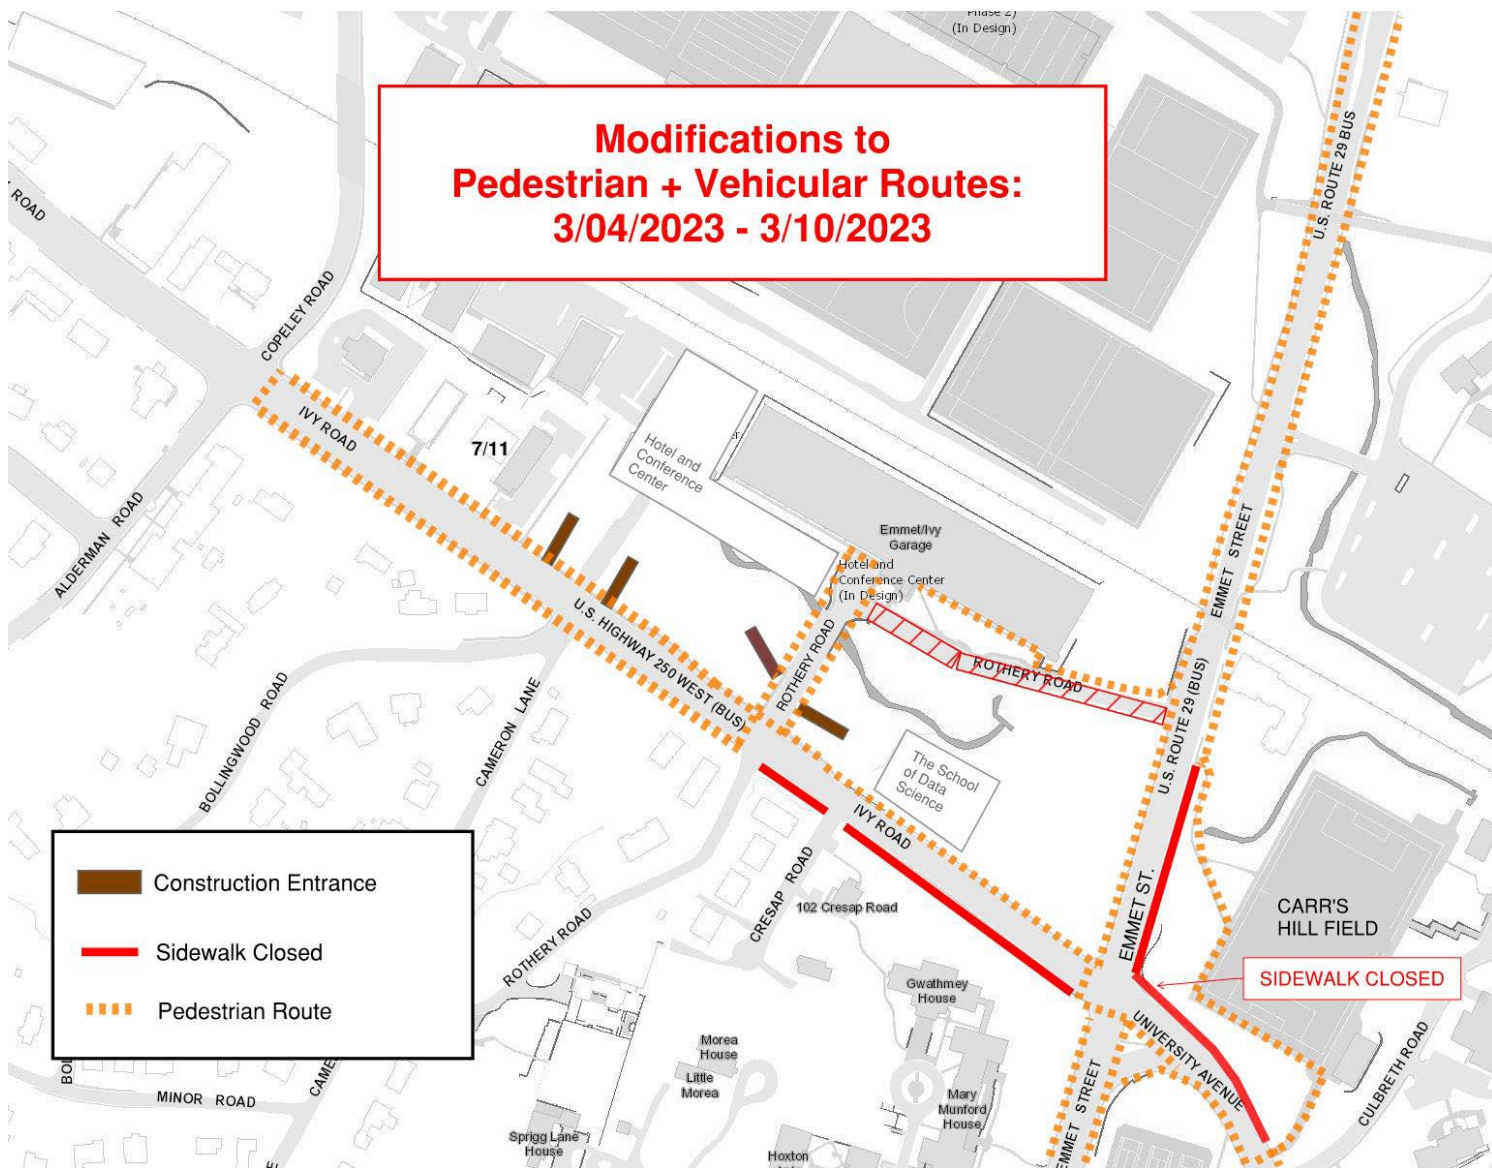

Vehicles: **NIGHT WORK 9pm-4am** Ivy Rd. east and westbound will experience lane modifications due to asphalt patching the week of March 13th. (Weather dependent)

Vehicles: **NIGHT WORK 9pm-4am** Emmet St. north and southbound will experience lane modifications due to asphalt patching the week of March 13th. (Weather dependent)

Pedestrians: The sidewalk on the north side of University Ave. will be closed Monday, March 6th – Friday, March 10th, for sidewalk repairs at the Emmet St. and Ivy Rd. intersection. The alternative walking path is around Carr's Hill Field; see map.

PEDESTRIANS:

- **Pedestrians:** A new construction entrance is created south of the Rothery Rd. bridge. Construction trucks and traffic will cross over the sidewalk into the site. Flaggers will be assisting with pedestrian and vehicular traffic.
- **Pedestrians:** The sidewalk along the south side of Ivy Rd. is closed.
