Alert No. 083

CONSTRUCTION ALERT

Emmet-Ivy Corridor Public Realm Project Monday, December 18th

WHAT'S THE LATEST CHANGE?

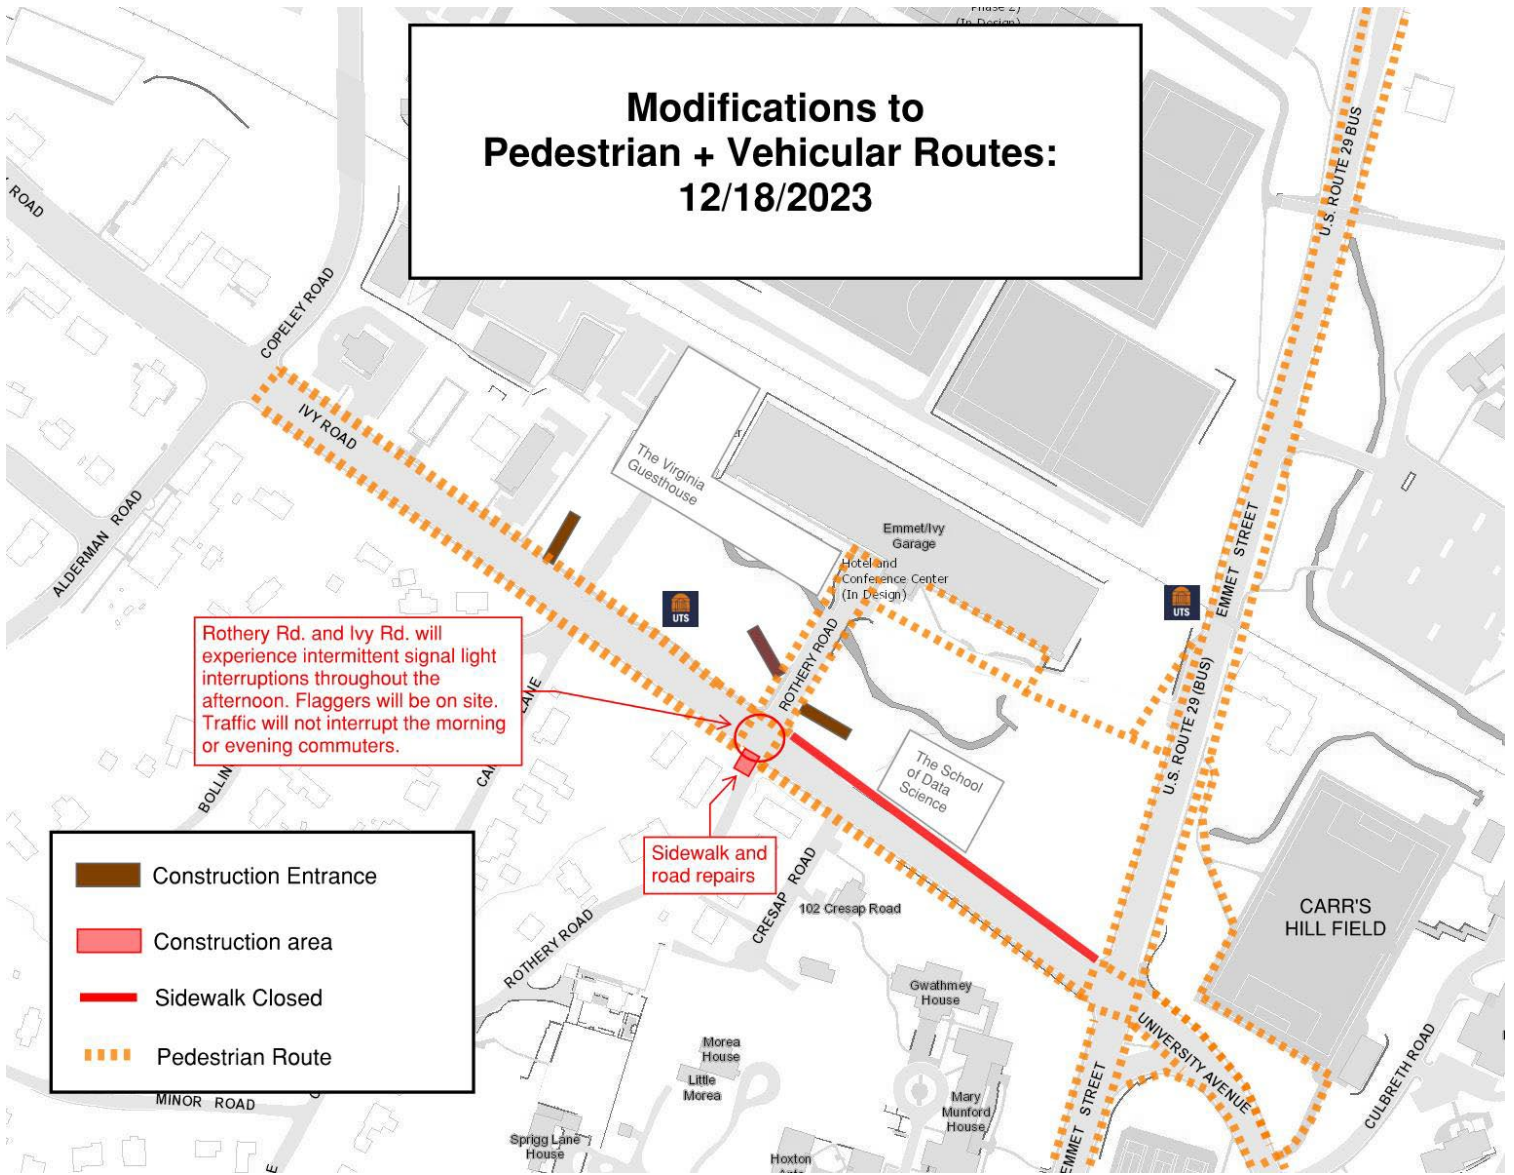

Vehicles: Ivy Rd. and Rothery Rd. will experience signal light interruptions throughout the afternoon on Monday, December 18th, due to work in the traffic cabinet. Flaggers will be on-site to assist with vehicles exiting and entering the garage. The traffic flow will not interrupt the morning or evening commuters. See map.

Pedestrians: A small portion of the sidewalk on the south side of Ivy Rd. and an island in Rothery Rd. south (same location) will be closed from Monday, December 18th – Friday, December 22nd. One lane of Rothery Rd. will be available for residents, and crosswalks on Ivy Rd. will be open. See map.

The sidewalk on the north side of Ivy Rd. from the Emmet-Ivy intersection (the north/west corner) to Rothery Rd. is closed and will reopen in January 2024.
