Alert No. 084

CONSTRUCTION ALERT

Emmet-Ivy Corridor Public Realm Project Thursday, December 28th

WHAT'S THE LATEST CHANGE?

Vehicles: The Emmet/Ivy Garage and Rothery Rd. will be closed on Thursday, December 28th, from 6:00 am to 10:00 pm.

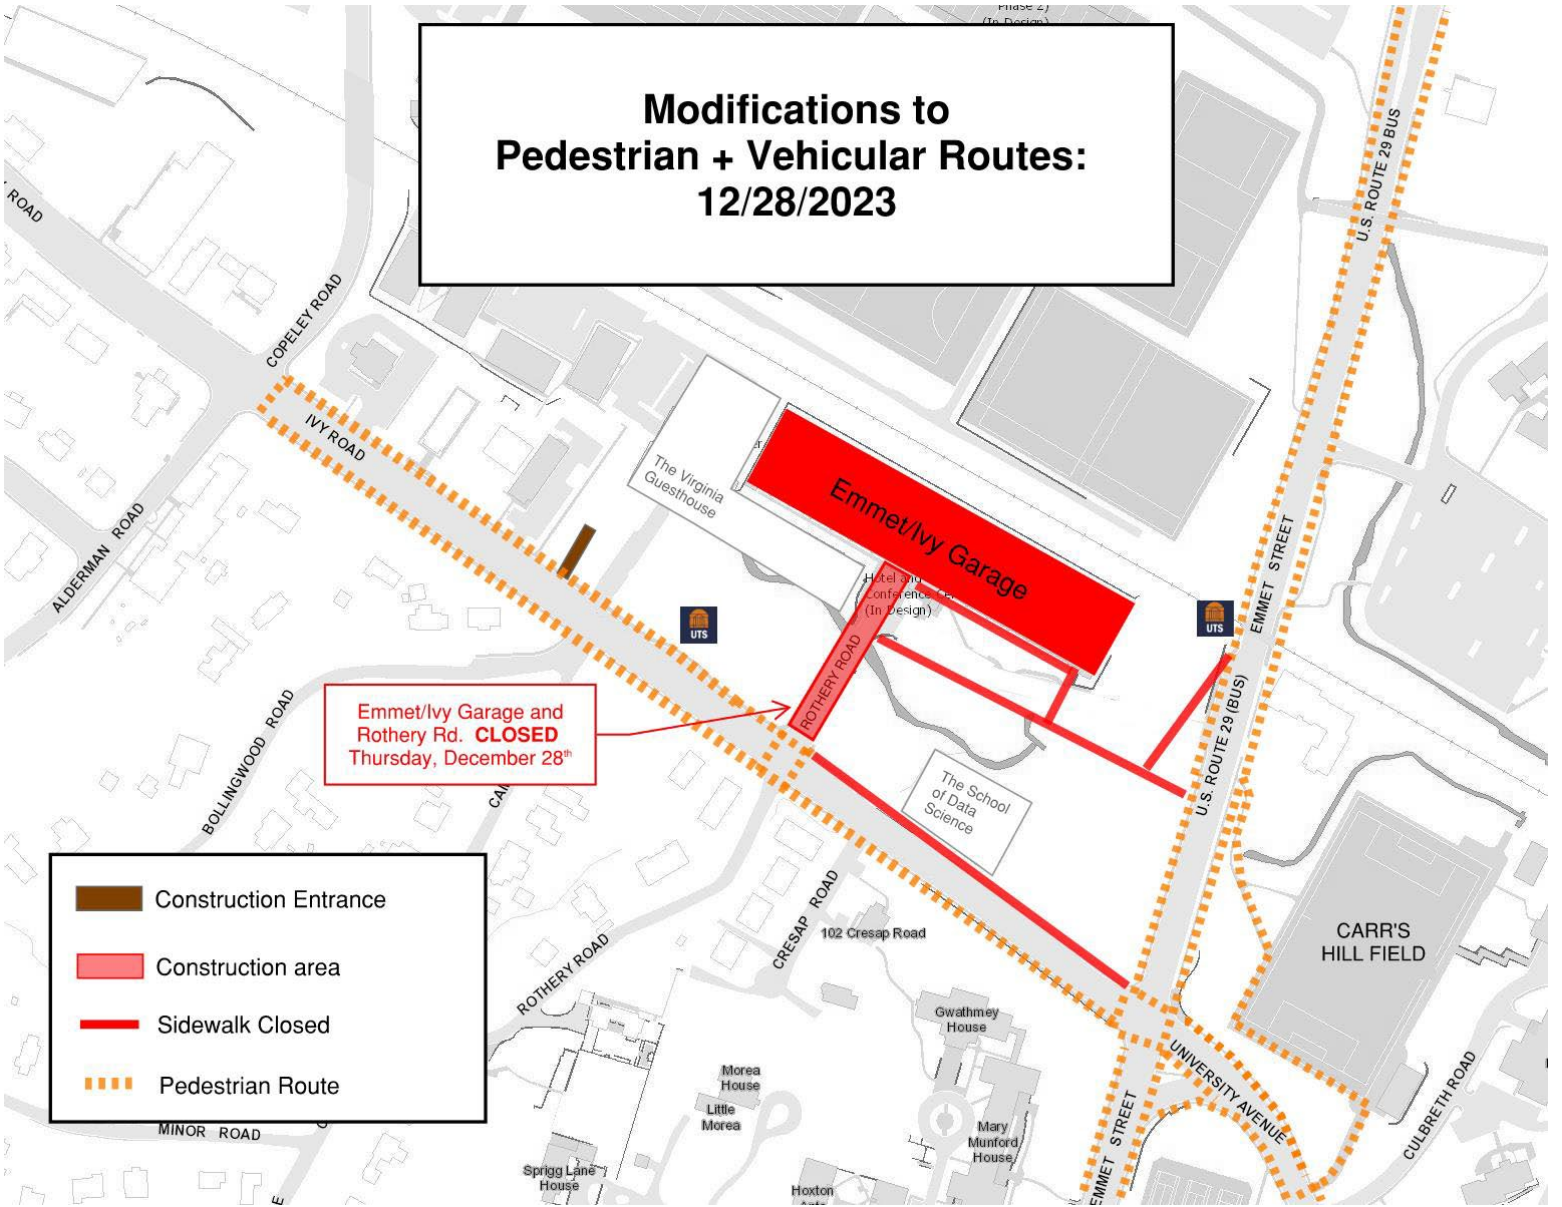

The Virginia Guesthouse project needs to build a crane that is 396 feet tall. The crane must be assembled on the ground, and its dimensions exceed those available inside the fence. The crane will, therefore, span across Rothery Rd. and into the School of Data Science laydown area.

Pedestrians: All sidewalks leading to the Emmet/Ivy Garage will be closed on Thursday, December 28th.

Pedestrians: The sidewalk on the north side of Ivy Rd. from the Emmet-Ivy intersection (the north/west corner) to Rothery Rd. is closed and will reopen in January 2024.
