CONSTRUCTION ALERT
(REVISION)

Low Temperature Hot Water (LTHW) Phase 3B

10/16/2023

BACKGROUND:

- The Low Temperature Hot Water (LTHW) Conversion Project will be removing steam service from several buildings and providing LTHW as the means of heat.
- Phase 3B of the LTHW Project consists of replacing steam services with LTHW in Thorton Hall, Olsson Hall, Chemical Engineering and Wilsdorf Hall.

ITEMS OF INTEREST:

- The parking lot on the northeastern side of Thorton known as East J will be closed and construction fence will be put up Monday October 16.
- **Egress from all exits from the building and pathways for pedestrian travel through the lot will be maintained. However, the lot will be closed to all non-construction related vehicles.**
- The sidewalk between Thorton and Stadium Road will be closed, and an alternative pedestrian route will be provided.
- This phase of the project is scheduled to be completed in the summer of 2024.
