## **CONSTRUCTION ALERT**

### **Low Temperature Hot Water (LTHW) Phase 3B**

2/15/2024

#### **BACKGROUND:**

- The Low Temperature Hot Water (LTHW) Conversion Project will be removing steam service from several buildings and providing LTHW as the means of heat.

#### **ITEMS OF INTEREST:**

- The project team will be setting up construction fence around two different tunnel access points along McCormick Road the morning of **Thursday 2/15**.
- The first access point to be fenced off will be near the front corner of Thornton Hall A wing. This fence will be installed at 7 am and will be removed before the end of the day. The purpose of this fencing is to have the area temporarily barricaded while materials are being staged in the tunnel.
- The second access point to be fenced off will be a small area in front of Wilsdorf Hall to stage equipment. This area will be fenced off for the remainder of the semester.
