Alert No. 01

CONSTRUCTION ALERT
UH Guided Ultrasound & MRI Relocation
January 15th, 2024, through December 2024

ITEMS OF INTEREST:

- Starting Monday, 1/15/24, a contractor will begin assembling fencing and scaffolding in the emergency vehicle parking spaces along Crispell Dr.
- Crispell Dr will remain open in both directions, there will be temporary lane closures with flaggers to direct traffic to allow safe fabrication of construction fencing.
- Crispell Dr sidewalk will always remain open. Spotters will be onsite to ensure pedestrian safety during fencing and scaffolding assembly.
- Fencing and scaffolding will be in place from 1/15/24 through December 2024.

BACKGROUND:

- UVA Health is renovating the Radiology department in the University Hospital. Phase 1 of the Radiology Masterplan includes expanding the MRI department. In this phase a new 4th MRI will be installed, new prep/recovery rooms will be built, along with other support spaces; shell space for a future 5th MRI is also included in phase 1.
