University of Virginia - Facilities Management - Energy & Utilities Department

575 Alderman Road, P.O. Box 400726, Charlottesville, VA 22904-2476 - Phone: 434-982-4641 or 243-1704 - FAX: 434-982-5073

REQUEST FOR EXCAVATION PERMIT

(Submit completed form to Energy & Utilities Department within two hours of notifying MISS UTILITY)

CONDITIONS OF REQUEST

- This excavation permit is for University of Virginia property only. 1.
- Notify MISS UTILITY at 811 of the planned excavation and at 1-800-552-3120 to obtain subsequent verification that utilities 2. have been marked.
- Utility field locations are valid for 15 calendar days from date of notification. 3.
- This permit does not constitute project approval or acceptance, not does it negate any requirement for project management or 4. review of specifications. Facilities Management project specifications may affect excavation requirements.
- This excavation permit does not grant or confirm easement approval when required. Easement approval is required for all 5. privately (non-University) owned cables. Contact Real Estate Management at 982-5841.
- Trenching may occur no closer to trees than one foot for every one inch of trunk diameter, measured at four feet above ground 6. level (e.g. no digging closer than 10 feet from a tree of 10 inch diameter).
- Trenches must be backfilled and tamped in 6 inch layers. All stone, sticks, and other debris larger than 1/2 inch shall be removed 7. from top six inches of backfill.
- Disturbed structures, ground turf, plants, and beds must be restored within 14 days of expiration of this permit, after which 8. Facilities Management may undertake restoration at the expense of negligent party without prior notice.

9. Guidance on turf seed, plant replacement, except Landscape Division, 982-4668, who shall inspect for Additional restrictions and exceptions:	r and enforce compli	ance with these requirement	s.
