CONSTRUCTION ALERT

Report No. 1

CONCERNING IMMINENT CONSTRUCTION ACTIVITY

Copeley Substation Improvement Project Update

ITEMS OF INTEREST: There will be construction activity in the eastbound lane of Massie Road starting Monday, Aug. 21, 2017. The construction activity will continue over the next several weeks. Flagmen will be in place to facilitate two-way traffic.

BACKGROUND: The project consists of the installation of three small ductbanks along Massie Road that will connect several electrical manholes, as well as replacing the fuses in the Copeley Substation.
