Alert No. 02

CONSTRUCTION PROJECT ALERT**Gooch Dillard Residence Halls, Landscape Improvements****Items of Interest:**

New areas will be fenced and blocked off to begin a landscape improvement project. The area near the stream will have new fencing. The fencing at Dillard will get closer to Gooch.

**Project Background:**

Gooch Dillard Renovation began in 2014, all of the buildings will have been renovated by the end of this summer. A final phase will renovate the landscape: adding ADA paths, better circulation, bike and moped storage, storm water management, and gathering areas.

Imminent Construction Activity:

Fences will be put up in the woods, and expanded toward Gooch.
