

PROJECT CONSTRUCTION ALERT #1
Gilmer-Chemistry Renovation Project

Pedestrian and Vehicular Impacts
McCormick Road
Chemistry Plaza Closure

Please be advised that the plaza between the Chemistry Building and the Gilmer Addition will be closed for repairs beginning **Monday, March 20**. The Chemistry Building entrance from the plaza will be closed until the beginning of Fall Semester 2017. The entrance to the Gilmer Addition will remain open but the accessible entrance ramp will be closed. Signs will provide directions to accessible entrances. Beginning **Saturday, March 25**, the work will also impact pedestrian traffic, vehicular traffic and the bus stop location along McCormick Road. Pedestrian and vehicular traffic will be routed to the north to accommodate construction staging and deliveries. Buses will use the night stops in front of Gilmer to west and Thornton to the east. Please refer to the attached map for details and follow this link <http://gis.virginia.edu/Pages/Accessibility.aspx> to the updated UVa Accessibility Map.

This work is subject to change as a result of inclement weather conditions. Future Construction Alerts will keep you updated with the progress of the work and any required changes in schedule.

Thank you for your cooperation. Please contact us with any questions or concerns.
