DATE: Friday July 20, 2017
Alert No. 04 revised 2

CONSTRUCTION PROJECT ALERT
IRC Plant Connections

Items of Interest:
We have rejected parts of the site restoration, the closure will be extended so that defective work can be repaired. The Emmet Street Lane Closure is extended to 8/4/17.
The work is ongoing, the impacts to Emmett Street are extended to 7/21/17.
The turning lane on Emmet Street will be closed from 5/22/17 – 7/21/17.
The driveway at the entrance to Memorial Gym will be closed from 5/29/17 – 7/21/17.

Project Background:
A multi-year phased renovation of the International Residential College started last summer and continues over the next two summers. This project is an enabling project that replaces aging piping that distributes hot water, chilled water, and fire water to the buildings.

Imminent Construction Activity:
The work in Emmett involves the demolition of the existing utility tunnel and the installation of direct-bury hot water piping.
