CONSTRUCTION PROJECT ALERT

Alderman Library Renovation

Items of Interest: Fencing will be installed around the north side of Alderman Library and in parts of Nameless Field starting as early as Wednesday December 18, 2019. See the area marked “Closed” on the attached map. Newcomb Road traffic will be limited to commercial and emergency vehicles for the duration of the project. Construction site access will be established on University Avenue and on Newcomb Road. The Alderman Library loading dock will be closed. Parking on Newcomb Road will be closed as of January 1, 2020. The Alderman Library book drop will be relocated to the University Central Grounds parking garage. The Newcomb Road entrance to the parking garage will be closed to vehicles.

Project Background: Alderman Library has never had a major renovation since it opened in 1938. The Alderman Library Renovation Project will renovate Historic Alderman, demolish the existing stacks, and build new stacks on the same footprint. The building will be brought up to modern standards of safety, usability, and service. The project will create a major new entrance on the University Avenue side of the building. Alderman Library will be closed from May 2020 through August 2022. The project will be fully complete in spring 2023.

ACCESS AROUND ALDERMAN LIBRARY
DURING CONSTRUCTION

We apologize for the inconvenience. Alderman Library is undergoing a long-overdue renovation. Sidewalks and roads in this area will be impacted from December 2019 through fall 2022.

Questions? Email ksm2g@virginia.edu.

Thank you for your patience.
