DATE: April 5, 2019

CONSTRUCTION ALERT

Alert No. 01

CONCERNING IMMINENT CONSTRUCTION ACTIVITY

Alderman Library Renewal Project

ITEMS OF INTEREST:

The Alderman Library facility will undergo a renewal starting in 2020. The library books are currently housed in the ‘stacks’ of the facility and will require a relocation prior to the renewal. Therefore this alert provides notice for upcoming work to install a temporary access road. This road is to allow vehicle access from Newcomb Road to the east side of the stacks.

WORK DESCRIPTION:

Work: Start - Monday, April 8, 2019
Completion - Friday, April 19, 2019
Working Hours – Monday through Friday, 7:00am – 5:00pm

The temporary road work will occur within the lawn of the north side of the library. And the temporary road will require an eased access off of Newcomb Road. Newcomb Road will only be impacted at the gutter and not affect vehicle passage. Caution signage will be utilized to indicate work is occurring.
