CONSTRUCTION PROJECT ALERT

Alderman Library Renovation

**Items of Interest:** Please be advised that McCormick Road at the triangle has opened one lane, the second lane and the sidewalk will still be closed. The closure is in order to perform utility work, as shown in the red shaded area below. Pedestrians and vehicles will be detoured to the light at Rugby Road in order to turn right on McCormick Road, as per the image below. This closure will last through August 7, 2020. The sidewalk and parking spots will be impacted longer, another alert will be issued in August.

**Project Background:** Alderman Library has never had a major renovation since it opened in 1938. The Alderman Library Renovation Project will renovate Historic Alderman, demolish the existing stacks, and build new stacks on the same footprint. The building will be brought up to modern standards of safety, usability, and service. The project will create a major new entrance on the University Avenue side of the building. Alderman Library will be closed from May 2020 through August 2022. The project will be fully complete in spring 2023.

**Contact Information:** For questions or comments regarding this project, please contact:
- Kit Meyer, Sr. Project Manager, o. 434-982-5748, ksm2g@virginia.edu
