Facilities Planning & Construction

DATE: Monday, September 27, 2021

Alert No. 1

**CONSTRUCTION PROJECT ALERT**  
**East Lawn/Range Area Paving Repairs**

**Items of Interest: Intermittent closures of Lile and Green Alleys October 4- 6, East Range Road closed October 7-10.**

**Imminent Construction Activity:**

Faulconer Construction will complete Addastone repairs on East Range Road and adjacent alleys October 4-10.

The Addastone repairs on East Range Road will require complete closure of the road and adjoining alleys to vehicle traffic for a four-day period beginning Thursday, October 7, 8am. The area will be reopened to traffic and parking the morning of Monday, October 11, 8am.

Work will take place between the hours of 8am-6pm. Noise and pedestrian impacts will be minimal.

Parking relocations have been coordinated with Parking & Transportation.

Schedule is weather dependent.

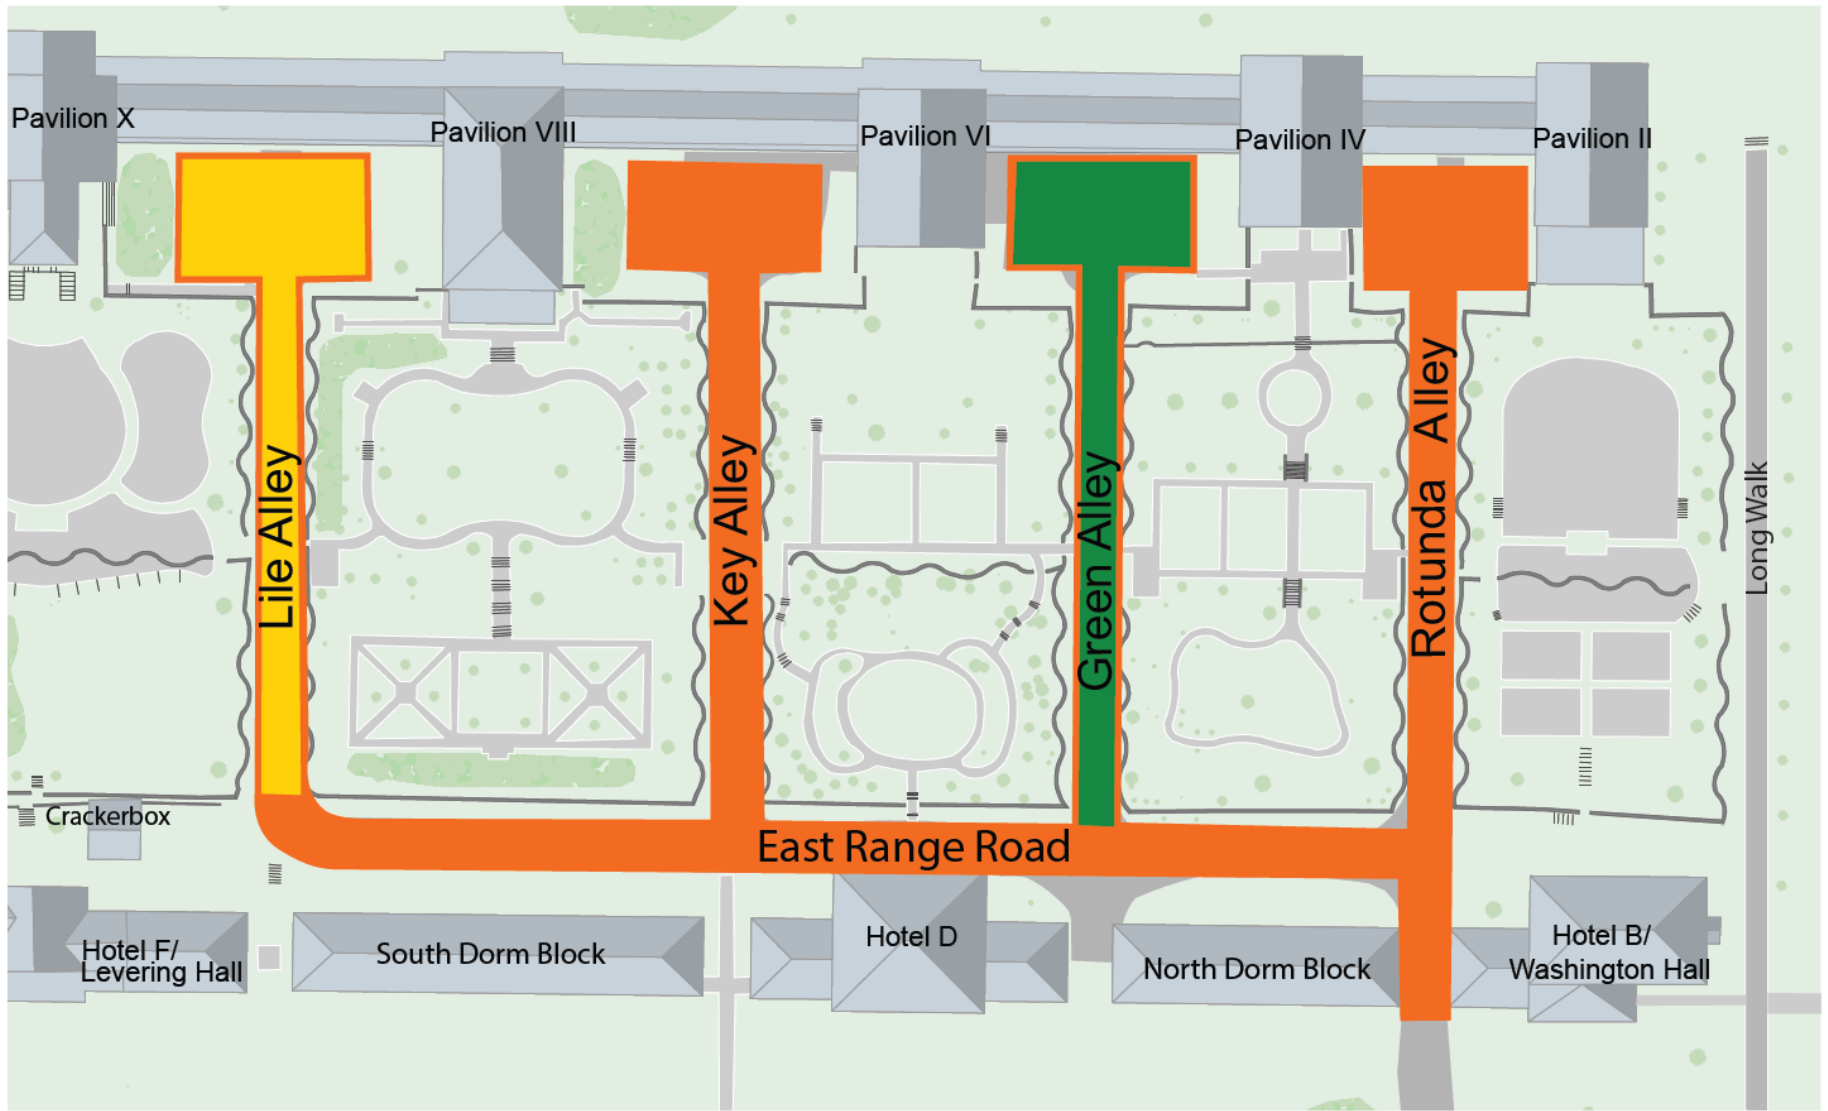

**See attached site plan for additional details.**
