CONSTRUCTION ALERT
McIntire New Academic Facility – Early Site Work

ITEMS OF INTEREST:
• Limited tree removal has been scheduled along Ruppel Drive to facilitate the start of work planned in May 2022. The tree work is scheduled to occur between January 3 – 14, 2022. The early removal of these trees will make way for early utility work along Ruppel Drive.
• A flag person will accompany the crew to redirect traffic and pedestrians as needed. Given the size of the trees, the contractor has requested that Ruppel Drive be closed except for emergency vehicles while work is underway. Please contact me to coordinate previously scheduled deliveries during this time period.

BACKGROUND:
• The McIntire School of Commerce will be expanding its academic facilities on the site of Cobb Hall. The historic north block of Cobb Hall, facing Hospital Drive, will be preserved and renovated. The rear wings will be demolished and replaced with an addition that responds to Rouss/Robertson Hall and Jefferson Park Avenue. The project is scheduled for completion in winter 2024.
