Alert No. #7

CONSTRUCTION ALERT

Memorial Gymnasium Façade Repairs

ITEMS OF INTEREST:

- **Starting Wednesday December 22nd, scaffolding will be constructed along the East façade.**
- All exits will have overhead protection
- South Door on East Alley will remain accessible
- All other doors on East Alley will remain open as Emergency Egress ONLY.
- Continuation of No Parking in East Alley for full project duration.

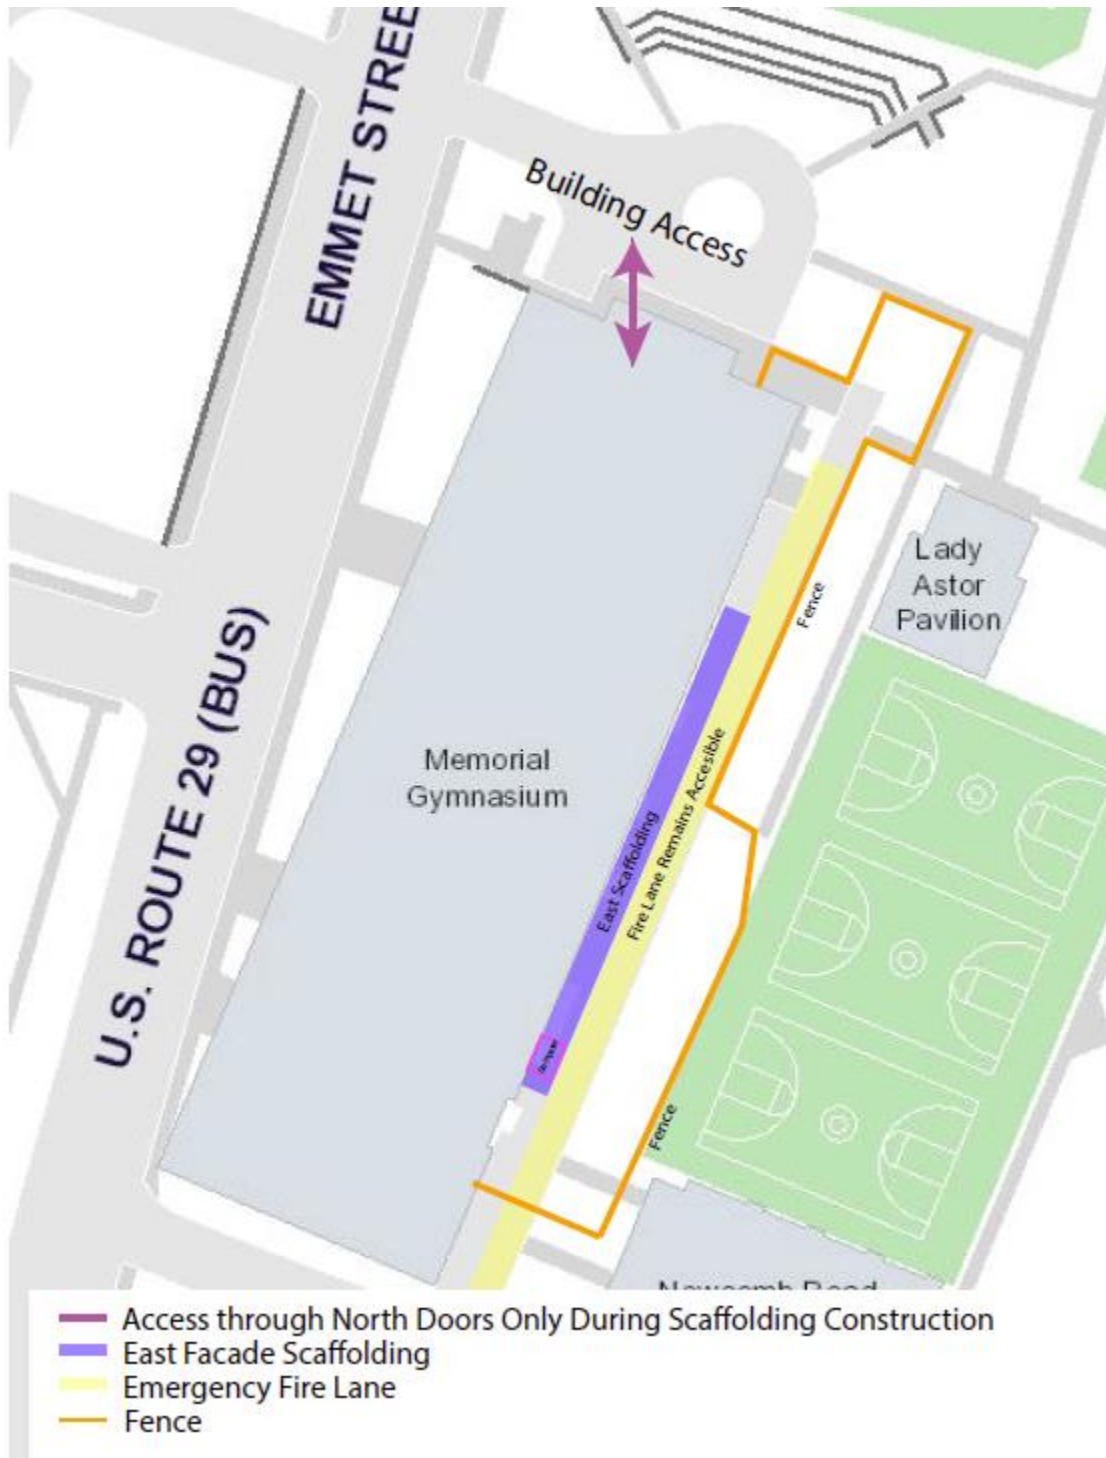

BACKGROUND:

- Memorial Gymnasium, constructed in 1924 as a memorial to 80 University Alumni who lost their lives World War I, is a brick and concrete structure with a design based on the Roman Baths of Caracalla and Baths of Diocletian.
- In 2019 a survey was taken of the exterior masonry conditions. This survey indicated areas of water damage, cracking of masonry, cast stone, and stucco elements. The project goal is to repair those elements, including replacement of the pedestals on top of the east/west façade capitals, replacement of roof capstones and flashing, repointing of masonry and patching of stucco and concrete bands.
