CONSTRUCTION ALERT
West Grounds Chilled Water Capacity Project – Phase 1

BACKGROUND:
• Project scope is to connect the McCormick Road and Central Grounds chilled water loops and increase existing distribution line sizes to optimize plant operations.
• Construction will start in August 2021 and finish in July 2022. The work will be complete in multiple phases.
• The project scope extends from in front of Kerchof Hall north along Cabell Drive, across McCormick Road and along Newcomb Drive to Newcomb Plaza then across Emmet Street, up the Emmet Street/McCormick Road Ramp and west a short distance along McCormick Road.

ITEMS OF INTEREST:
• Project mobilization starting Monday, August 23rd.
• Phase 1 construction starting Monday, August 23rd.
• Phase 1 construction finishing Wednesday, September 8th.
• Construction area to have fence enclosure.
• Cabell Drive will remain open during construction. Traffic will be limited to one lane and utilize traffic signals and flag person.
• Certain parking spaces along Cabell Drive will be closed during construction.
• Certain sidewalks in the area of Cabell Drive/Kerchof Hall will be closed during construction. Pedestrian circulation/access will be maintained during construction.
• Dumpster at Clark Hall to be relocated to Halsey Hall dumpster location.
