CONSTRUCTION ALERT

West Grounds Chilled Water Capacity Project – Cabell Drive Restoration

BACKGROUND:
- Project scope is to connect the McCormick Road and Central Grounds chilled water loops and increase existing distribution line sizes to optimize plant operations.
- Construction will start in August 2021 and finish in July 2022. The work will be complete in multiple phases.
- The project scope extends from in front of Kerchof Hall north along Cabell Drive, across McCormick Road and north along Newcomb Drive to Newcomb Plaza then across Emmet Street, up the Emmet Street/McCormick Road Ramp and west a short distance along McCormick Road.

ITEMS OF INTEREST:
- Cabell Drive restoration begins Thursday, Dec. 9, 2021.
- Cabell Drive will remain open during construction. Traffic will be limited to one lane at certain locations and flag personnel will be used to maintain traffic.
- Certain parking spaces along Cabell Drive will be closed during construction.
- Sidewalks in the area of construction will remain open.
- Stairs in front of Kerchof Hall will be closed.
