Date: August 29, 2022

CONSTRUCTION ALERT
AHU-2MA-1 Upgrades

ITEMS OF INTEREST:
- The AHU-2MA-1 project has the 1st of two more planned crane dates scheduled for Saturday, 9/10/22 from 0700 until noon.
- Please see the logistics plan included, that shows the general location and the partial road closure on Lane Road, between the Hospital Loading Dock and Crispell Dr.
- Parallel Parking in front of MR-4 will be closed during the crane activity hours of 0700 – 1200.
- Access to the MR-4 Loading Dock will be limited during crane activity.
- Pedestrians will be able to use the sidewalk on Lane Road in front of MR-4, but the sidewalk on the hospital side, between the Loading Dock and Crispell Drive will be closed during the crane activity.
- An alternate route for vehicular traffic is Crispell Drive to Jeanette Lancaster Way, to Lane Road & vice-versa.

BACKGROUND:
- The AHU-2MA-1 Upgrades project is a multi-phase project that began in the Fall of 2021 and is scheduled to be completed in the Spring / Summer of 2023.
- This project will have two more crane dates in the same general vicinity before completion.
