Date: March 18, 2022

CONSTRUCTION ALERT
Brandon Ave Upperclass Housing II

ITEMS OF INTEREST:

Starting Monday March 21, 2022, contractors will be closing a section of the eastern roadway on Brandon Avenue, adjacent to The Monroe Apartment building. Alternative vehicular routes will be provided around the area of work. Please see the plan below showing the extents of the work and the alternative travel routes for both Phases 1 and 2.

Access to the lower level parking garage of The Monroe Building will be maintained at all times throughout this work.

The total duration of this work (Phases 1 and 2) is expected to last approximately 5 weeks (3/21/22 to 4/22/22).

BACKGROUND:

In preparation for the start of construction on the new Upper Class Housing buildings, a new sanitary sewer line will need to be installed on the eastern side of Brandon Avenue. The relocation of a section of telecom duct bank will also need to occur as part of this initial construction activity.
