Alert No. 10

## **CONSTRUCTION ALERT** CONTEMPLATIVE COMMONS

### **ITEMS OF INTEREST:**

- Emmet Street Intermittent Evening Road Closures

### **DESCRIPTION OF WORK**

Between December 14-January 17, Hourigan Construction will perform work to install a new pedestrian bridge over Emmet Street. For the safety of vehicles and pedestrians, this work requires a full closure of Emmet Street between Thomson and Stadium Roads when overhead work is taking place. Road closures will take place Monday-Friday evenings, 8PM-6AM. Overhead work will be weather-dependent and intermittent during this period. Signage will be updated regularly to indicate which evenings the road will be closed.

### **BACKGROUND:**

The Contemplative Commons project will add a new 4-story academic building on the site of an existing surface parking lot adjacent to the Dell Pond and School of Education. New pedestrian bridges will create an ADA connection from Newcomb Plaza to the McCormick Rd Dorm area.

### **ISSUED BY:**

Sarita Herman, Project Manager, 434-982-2996, [smh2ne@virginia.edu](mailto:smh2ne@virginia.edu)

Ted Nelson, Construction Administration Manager, 434-422-1320, [rtn7c@virginia.edu](mailto:rtn7c@virginia.edu)

Kellen Renner-Thomas, Project Coordinator, 434-400-9511, [krennerthomas@virginia.edu](mailto:krennerthomas@virginia.edu)
