CONSTRUCTION ALERT
CONTEMPLATIVE COMMONS

ITEMS OF INTEREST:
• Dell walkway closure

DESCRIPTION OF WORK
Between December 20-January 17, Hourigan Construction will perform work to install a new pedestrian bridge over the walkway along the south edge of The Dell. For the safety of pedestrians, this work requires the existing walkway to be closed. Pedestrian detour signage will be provided.

BACKGROUND:
The Contemplative Commons project will add a new 4-story academic building on the site of an existing surface parking lot adjacent to the Dell Pond and School of Education. New pedestrian bridges will create an ADA connection from Newcomb Plaza to the McCormick Rd Dorm area.
