CONSTRUCTION WORK NOTIFICATION

Hello, Emmet-Ivy Garage (EIG) commuters!

Starting Monday, July 25th, the Faulconer construction team will pour concrete at the entrance and exit lanes to the garage. When entering and exiting the garage, please use caution and follow the construction signs. We appreciate your reduced speeds. The pedestrian routes will change frequently but not increase in length. To keep traffic flowing smoothly and quickly, we have a sequencing plan to mitigate any disruption to your morning and evening commute.

July 25th – August 14th Garage entrance on Ivy Rd.

The Emmet St. entrance will be closed from Monday, July 25th until Sunday, August 14th, 2022.

Vehicles will enter the EIG from Ivy Rd. and drive across the new bridge into the garage. The lanes entering and exiting the garage will be reduced to one lane each. Exiting vehicular traffic will follow the existing temporary road around the bridge to Ivy Rd.

Pedestrians seeking the Blue Line bus stop are encouraged to exit the garage via the elevator tower and use the crosswalk to the temporary path around the bridge to the Blue Line bus stop. The Gold/Silver Line riders follow the sidewalk to the west side of Emmet St. Pedestrians headed to central grounds have full access to the sidewalks around the Ivy Corridor.

NOTE: The Ivy Rd. eastbound turning lane into the garage is OPEN.
