CONSTRUCTION ALERT

Athletics Master Plan - New Football Operations Center
Thursday, November 17 – Sunday, November 27

LATEST CHANGES:

- One lane of Massie Road will be closed to traffic on the McCue side of the street through Tuesday the 22nd. One lane fully open in each direction.
- Asphalt paving of the trench across Massie Rd. and the lower parking lot entrance will occur on the 17th/18th and 21st/22nd during the day. Massie Rd. will have only one lane open with flaggers directing traffic as needed.
- Lower parking lot entrance to McCue east lot will be closed intermittently outside of events.

ITEMS OF INTEREST:

- Additional parking fenced off in McCue East Lot.
- Sidewalk closed along Massie and McCue East Lot down to Emmet. Use JPJ side.
- JPJ east bus stop moved to west side of JPJ.
- McCue East Lot bus stop removed, use West Lot bus stop.
- Construction fencing remains to enclose the turf field north of the Welsh Indoor Practice Facility (IPF) and southern row (both east and west side) of parking in the McCue East Parking Lot.
- Entry and exit to Welsh will be from the northwest and southeast corners of the IPF. The northern portion of the building will be closed off.
- ADA access to the IPF will be via the McCue West Lot down the promenade lot.
- The path to the North of Goodwin Bridge will remain closed. Pedestrian access down to Emmet Street will be provided via the stairs down as well as the new southern path.

BACKGROUND:

- Construction of a new Football Operations Center (FOC) adjacent to Phase 1, Welsh Indoor Practice Facility, and the McCue Center. The new FOC will be adjacent to the Phase 1 practice fields and provide easy access onto the fields. Scheduled completion Q2 2024.
