CONSTRUCTION ALERT

Athletics Master Plan - New Football Operations Center
Friday, December 02 – Friday, December 23

LATEST CHANGES:

- Work in Massie Rd. as part of the FOC project is substantially complete.
- Over the next three weeks, work will occur in the East Lot in Area A, then Area B, then Area C. Work will not occur in these areas simultaneously outside of a potential day or so for final paving.

ITEMS OF INTEREST:

- Additional parking fenced off in McCue East Lot.
- Portions of sidewalk closed along Massie Rd. and McCue East Lot down to Emmet St. Use JPP side.
- JPP east bus stop moved to west side of JPP.
- McCue East Lot bus stop removed, use West Lot bus stop.
- Construction fencing remains to enclose the turf field north of the Welsh Indoor Practice Facility (IPF) and southern row (both east and west side) of parking in the McCue East Parking Lot.
- Entry and exit to Welsh will be from the northwest and southeast corners of the IPF. The northern portion of the building will be closed off.
- ADA access to the IPF will be via the McCue West Lot down the promenade lot.
- The path to the North of Goodwin Bridge will remain closed. Pedestrian access down to Emmet Street will be provided via the stairs down as well as the new southern path.

BACKGROUND:

- Construction of a new Football Operations Center (FOC) adjacent to Phase 1, Welsh Indoor Practice Facility, and the McCue Center. The new FOC will be adjacent to the Phase 1 practice fields and provide easy access onto the fields. Scheduled completion Q2 2024.
