CONSTRUCTION ALERT
Fire Hydrant Replacement – Corner of Massie and Copeley Roads

ITEMS OF INTEREST:

- Pedestrian traffic will be impacted during the construction phase. Sidewalk access will be closed with appropriate signage.
- A significant excavation will require the closure of two/three parking spaces adjacent to the work area.
- No athletic activities will be impacted.
- Work phase is anticipated to last 5-6 days.

BACKGROUND:

- E&U was performing preventative maintenance on a fire hydrant at the corner of Massie and Copeley Road and surmised that it would need to be replaced.

  **Work phase to start September 19, 2022.**
