CONSTRUCTION ALERT
McIntire New Academic Facility – Generator Removal and Temporary Storage

ITEMS OF INTEREST:
• Thursday, August 4th
  o The emergency generator serving Cobb Hall will be removed from an area near the Telephone Exchange Building. It will be temporarily stored in a laydown area between the Health System South Garage and UVA Transformer Enclosure.
  o The relocation will require a single lane closure on Crispell Drive. Flagmen will be present to direct traffic.
  o The lane closure is anticipated to take place sometime between 10am and 4:30pm.
  o The generator will be re-used on a future UVA project.

BACKGROUND:
• The McIntire School of Commerce will be expanding its academic facilities on the site of Cobb Hall. The historic north block of Cobb Hall, facing Hospital Drive, will be preserved and renovated. The rear wings will be demolished and replaced with an addition that responds to Rouss/Robertson Hall and Jefferson Park Avenue. The project is scheduled for completion in winter 2024/25.
