CONSTRUCTION ALERT

West Grounds Chilled Water Capacity Project – Newcomb Road Temporary Sidewalk

BACKGROUND:

• Project scope is to connect the McCormick Road and Central Grounds chilled water loops and increase existing distribution line sizes to optimize plant operations.
• Construction will start in August 2021 and finish in July 2022. The work will be complete in multiple phases.
• The project scope extends from in front of Kerchof Hall north along Cabell Drive, across McCormick Road and north along Newcomb Road to Newcomb Plaza then across Emmet Street, up the Emmet Street/McCormick Road Ramp and west a short distance along McCormick Road.

ITEMS OF INTEREST:

• Temporary sidewalk along west side of Newcomb Road is open from McCormick Road to Newcomb Plaza.
• Pedestrian bridge across Emmet Street to remain open.
• Stairs to/from Newcomb Road at Tucker House and Venable House to be closed.
• Stairs at Mallet House to remain open to provide access to dumpsters and recycling containers.
• Access to ramp at Venable House to be maintained.
• Traffic on Newcomb Road restricted to south of Venable House.
• Parking at Venable House to remain open.
• Parking adjacent to Tucker House to be closed.
