CONSTRUCTION ALERT

BACKGROUND:

- Project scope is to connect the McCormick Road and Central Grounds chilled water loops and increase existing distribution line sizes to optimize plant operations.
- Construction will start in August 2021 and finish in November 2022. The work will be completed in multiple phases.
- The project scope extends from in front of Kerchof Hall north along Cabell Drive, across McCormick Road and north along Newcomb Road to Newcomb Plaza then across Emmet Street, up the Emmet Street/McCormick Road Ramp and west a short distance along McCormick Road.

ITEMS OF INTEREST:

- This phase of work involves full restoration of Newcomb Plaza including brick pavers and will be a continuation of the previous phases where the Chilled Water pipe was installed in Newcomb Plaza.
- Construction to be complete on Friday, November 4th.
- Work area within Newcomb Plaza will be split into two separate phases, each shown in the two following sketches.
- Construction area to have fence enclosure.
- Pedestrian access through Newcomb Plaza will be maintained throughout.
