CONSTRUCTION ALERT

BACKGROUND:
- Project scope is to connect the McCormick Road and Central Grounds chilled water loops and increase existing distribution line sizes to optimize plant operations.
- Construction will start in August 2021 and finish in November 2022. The work will be completed in multiple phases.
- The project scope extends from in front of Kerchof Hall north along Cabell Drive, across McCormick Road and north along Newcomb Road to Newcomb Plaza then across Emmet Street, up the Emmet Street/McCormick Road Ramp and west a short distance along McCormick Road.

ITEMS OF INTEREST:
- Mobilization for this Phase will start on Monday, August 22nd.
- Construction to be complete on Wednesday, August 31st.
- Work area will be immediately South of the Newcomb Hall Loading Dock.
- Construction area to have fence enclosure.
- Brick paver restoration from Phase 7 at the South end of Newcomb Plaza will continue through 8/26/22.
- Pedestrian access through Newcomb Plaza will be maintained throughout.
