CONSTRUCTION ALERT

BACKGROUND:
- Project scope is to connect the McCormick Road and Central Grounds chilled water loops and increase existing distribution line sizes to optimize plant operations.
- Construction will start in August 2021 and finish in November 2022. The work will be completed in multiple phases.
- The project scope extends from in front of Kerchof Hall north along Cabell Drive, across McCormick Road and north along Newcomb Road to Newcomb Plaza then across Emmet Street, up the Emmet Street/McCormick Road Ramp and west a short distance along McCormick Road.

ITEMS OF INTEREST:
- Mobilization for this Phase will start on Tuesday, September 6th.
- Construction to be complete on Friday, October 7th.
- Work area will be immediately South of the Newcomb Hall Loading Dock extending into Newcomb Plaza as shown in the following sketch.
- Construction area to have fence enclosure.
- Pedestrian access through Newcomb Plaza will be maintained throughout.
- Emergency egress from the Newcomb theater to the plaza will be maintained throughout.
