CONSTRUCTION ALERT

West Grounds Chilled Water Capacity Project – Water Line Connection at McCormick Bore - Revision 2

BACKGROUND:

- Project scope is to connect the McCormick Road and Central Grounds chilled water loops and increase existing distribution line sizes to optimize plant operations.
- Construction will start in August 2021 and finish in July 2022. The work will be complete in multiple phases.
- The project scope extends from in front of Kerchof Hall north along Cabell Drive, across McCormick Road and north along Newcomb Drive to Newcomb Plaza then across Emmet Street, up the Emmet Street/McCormick Road Ramp and west a short distance along McCormick Road.

ITEMS OF INTEREST:

- Project mobilization starting Monday, August 23rd.
- Bore connection construction starting Monday, January 10th.
- Bore connection construction finishing Friday, February 18th.
- Construction area to have fence enclosure.
- Cabell Drive will remain open during construction. Traffic will be limited to one lane and utilize flag personnel and/or traffic signals.
- Sidewalk along west side of Cabell Drive will be closed during construction. Pedestrian circulation/access will be maintained during construction.
