CONSTRUCTION ALERT
Fralin Museum / Bayly Building Renovation

ITEMS OF INTEREST:
- The Fralin Museum Parking Lot and South Garden will be closed for a crane lift scheduled for Monday, October 2nd.
- Pedestrian pathways to the parking lot and South Garden will be closed for safety.
- The Closure will occur 5:30pm Sunday, October 1st – 5pm Monday, October 2nd. Towing will be enforced.
- The Bayly Drive will be open to provide access to Campbell Hall and Ruffin Hall.
- This crane lift is scheduled in order to align with UVA’s Academic “Reading Days” and therefore should not disrupt classes. The Museum is also closed on Mondays. This should help lower the impact to pedestrians in the area.
- Please see the attached map showing project impacts.

BACKGROUND:
- The Bayly Building Renovation was completed in 2021. Due to manufacturing error, the steam boilers designed to provide humidification to the museum during the winter have to be replaced. This crane lift will replace the second of two boilers.
