Date: May 24, 2023          Alert No. #1

CONSTRUCTION ALERT
Bryan Hall South Façade Waterproofing

ITEMS OF INTEREST:
- Portion of sidewalk south-west of second floor accessible entrance to be closed until June 23rd (red in diagram below)
- Accessible path into Bryan Hall from the south will be rerouted to the first floor. (teal in diagram below).
- Accessible path/emergency egress path to the north will be routed around the amphitheater and through Cocke Hall as necessary.
- Accessible entrances on the first and third floor will not be affected.

BACKGROUND:
- The project currently being conducted on the southeast corner of Bryan Hall is to mitigate water infiltration issues, restabilize the hill, and direct surface water from across the sidewalk into an existing drain inlet.
