CONSTRUCTION ALERT
CONTEMPLATIVE COMMONS

ITEMS OF INTEREST:
- Dell walkway closure Update: Walkway to remain closed through February 17.

DESCRIPTION OF WORK
Hourigan Construction is continuing to perform overhead work on a new pedestrian bridge over the walkway along the south edge of The Dell. For the safety of pedestrians, this work requires the existing walkway to remain closed. Pedestrian detour signage has been provided.

BACKGROUND:
The Contemplative Commons project will add a new 4-story academic building on the site of an existing surface parking lot adjacent to the Dell Pond and School of Education. New pedestrian bridges will create an ADA connection from Newcomb Plaza to the McCormick Rd Dorm area.
