Date: 8/24/23-8/31/23  
Alert No. 01

CONSTRUCTION ALERT
Edgemont Road Ditch Repair

ITEMS OF INTEREST:
The embankment along the side hill will be repaired. They will be digging out the ditch and filling with stone. This will impact traffic. A single lane will remain open with flaggers directing traffic. There are no sidewalks on this section of road.

A ditch will be dug across the road closing this section down temporarily. Additional Alerts will go out for that day.

This begins at Stone Hall and continues up towards McCormick Observatory.

BACKGROUND:
Ditch repairs to correct water flow.

PHOTOS/MAPS OF AREAS AFFECTED:
Highlight section represents the work zone.
Repairs work on the ditch begins at McCormick Observatory corner and continues down to Stone Hall. This will be on the right side heading down the hill. A ditch across the road for a new pipe will be in the area of Shebourne Hall. One lane will remain open till the ditch is needed. Access out both from either end depending on your destination. Road closure will be temporary.
