Date: 9/12/23-9/29/23  Alert No. 02

CONSTRUCTION ALERT
Edgemont Road Ditch Repair

ITEMS OF INTEREST:
The embankment along the side hill will be repaired. They will be digging out the ditch and filling with stone. This will impact traffic. There are no sidewalks on this section of road.
A ditch will be dug across the road closing this section down temporarily. Another pipe will need replacing just above Stone Hall. The road will be shut down for this on as well.
This begins at Stone Hall and continues up towards McCormick Observatory.

Dates for road closures:
Monday 9/18/23 for one day.
Monday 9/25/23 for one day.

• You will still be able to access your workspaces.
• When road is closed on 9/18 you will need to come in from Stone Hall section of road to access Shelbourne Hall. A 1 day project. Should open back up for 9/19. Please plan on using alternate rout on 9/19 in the morning as a precautionary.
• Aerospace workers will need to come in from McCormick Observatory end.
• On 9/25 Stone Hall may still enter from lower end of Edgemont but will not be able to go past there building. This may be shut down for 2 days.
• Shelbourne Hall and Aerospace will need to enter from McCormick Observatory end.
• Please see PDF for road clousers.
