Alert No. 31

CONSTRUCTION ALERT

Main Library Renovation

ITEMS OF INTEREST:

Sidewalk, road, and parking closures at the Main Library loading dock on Newcomb Road on **Saturday February 3, 2024, from 7:00 am to 3:00 pm**. The work will not affect any of the public entrances to the building or the hours that the building is open. Flaggers will be stationed in areas where work vehicles will cross pedestrian and vehicle paths.

REASON FOR CLOSURE:

A crane will be set in the loading dock to remove roofing construction debris from the roof.

PROJECT BACKGROUND: The Library has never had a major renovation since it opened in 1938. The Main Library Renovation Project will renovate the historic building including reading rooms, and staff areas. It has demolished the existing stacks and built new stacks on the same footprint. The building will be brought up to modern standards of safety and service. The project will create a major new entrance on the University Avenue side of the building. The library is open to the public, the contractor is completing work and punch list.
