Alert No. 22

CONSTRUCTION ALERT CONTEMPLATIVE COMMONS

ITEMS OF INTEREST:

- Dell Pond East Sidewalk Closure

DESCRIPTION OF WORK

On February 12, Hourigan Construction began final restoration of the landscape and pedestrian walkways at the northeast corner of the Contemplative Commons construction site. The work has detoured pedestrians at the Central Grounds Garage crosswalk and the east Dell Pond sidewalk. Initial scheduled work is nearing completion. Hourigan will maintain sidewalk closure through February 28 to support final project closeout activities.

BACKGROUND:

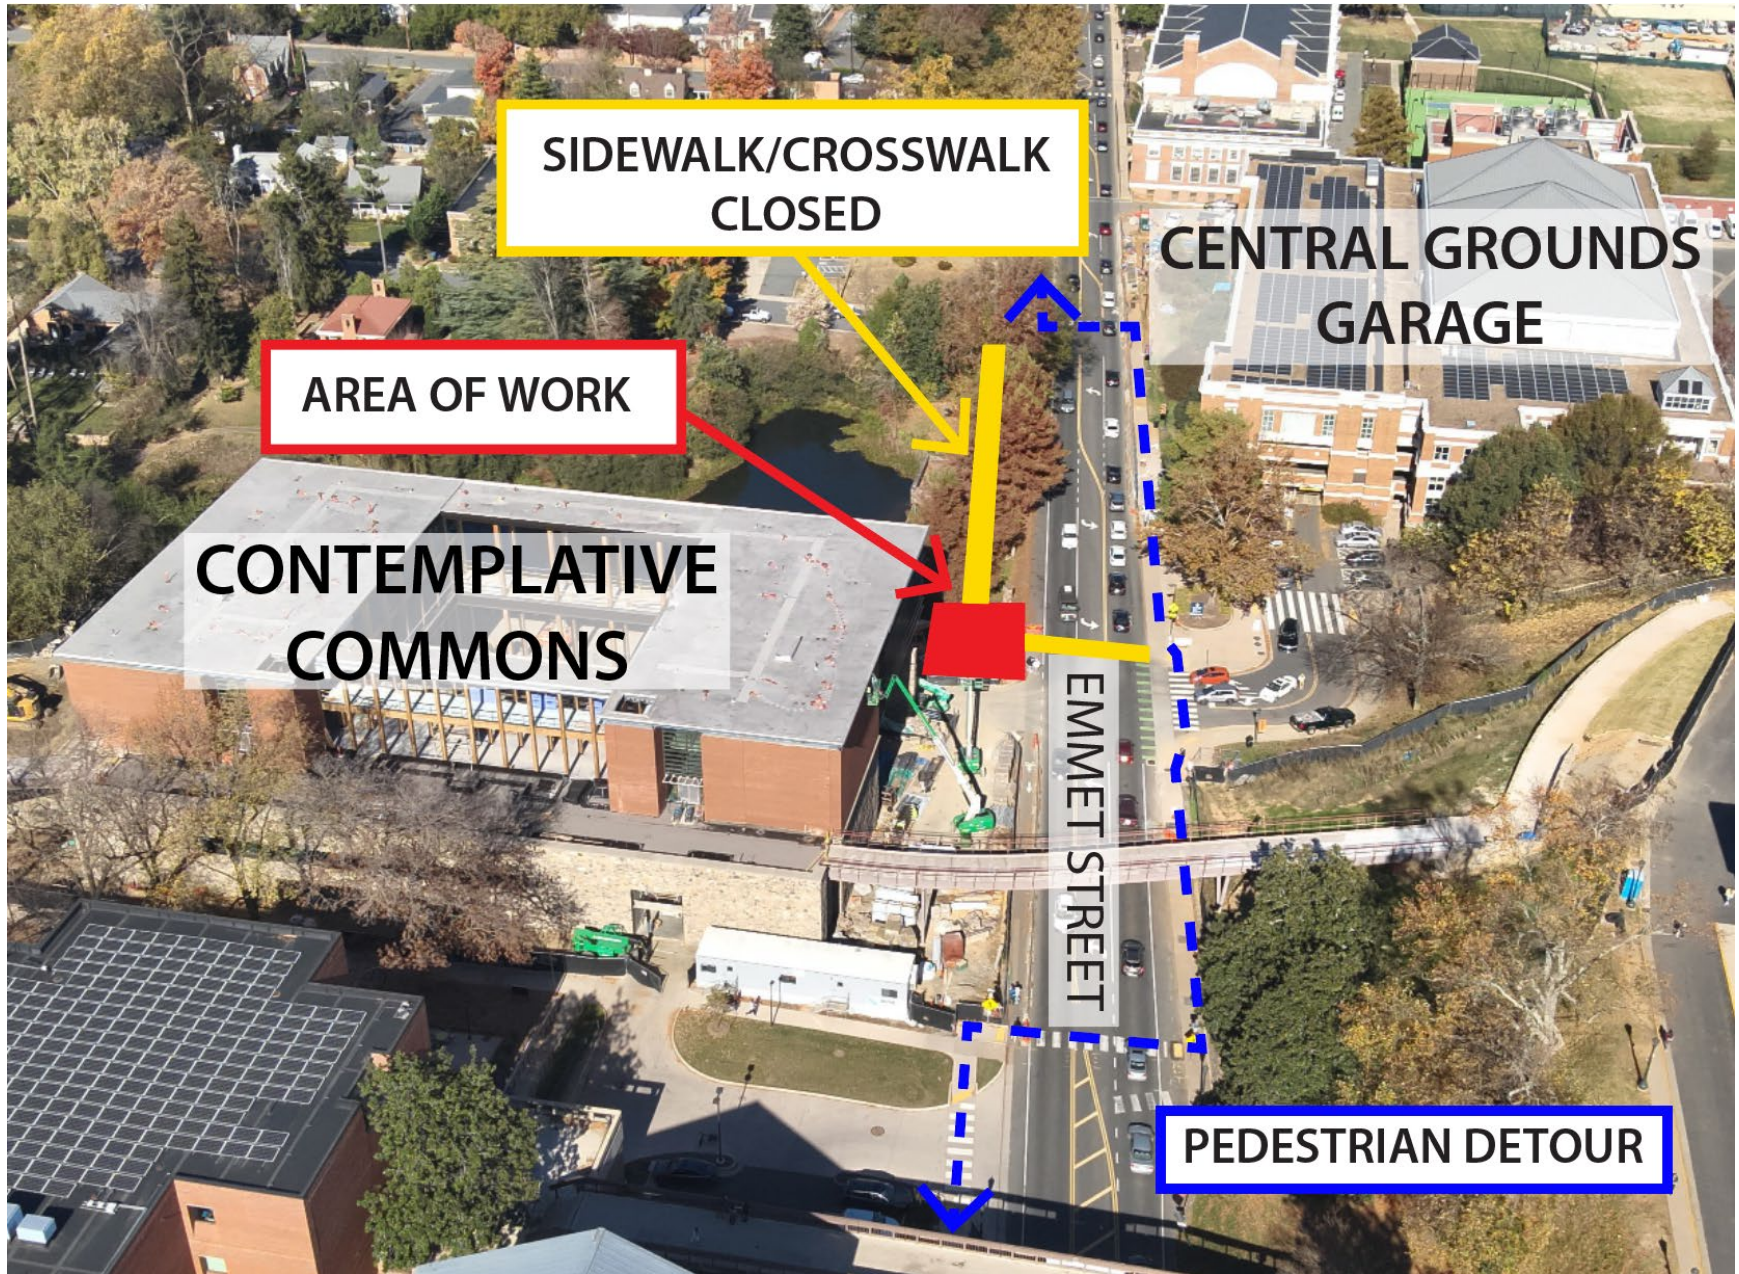

The Contemplative Commons project will add a new 4-story academic building on the site of an existing surface parking lot adjacent to the Dell Pond and School of Education. New pedestrian bridges will create an ADA connection from Newcomb Plaza to the McCormick Rd Dorm area.
