CONSTRUCTION ALERT
Demo of Ruffin Stairs

ITEMS OF INTEREST: The Demo of Ruffin Stairs is scheduled to take place 3/2-3/10. Construction path will run from the bottom of Ruffin Stairs along the sidewalk to the street. Duradex ground protection will placed in the green areas to help minimize any impact. The tables along the necessary contraction path will be unbolted from the sidewalk and moved to the left to allow for their continued access. Once the demo is completed, the tables will be placed at their original locations and reattached.
