CONSTRUCTION ALERT

Low Temperature Hot Water (LTHW) Phase 3B

BACKGROUND:
• The Low Temperature Hot Water (LTHW) Conversion Project will be removing steam service from several buildings and providing LTHW as the means of heat.

ITEMS OF INTEREST:
• The project team will be closing the East E parking lot between Olsson Hall and Stadium Road **Monday March 4th at 7am**.
• There will be no access from Stadium Road to the loading dock at Thornton Hall and Olsson Hall for the entire week of March 4th.
• Dumpsters that are currently at the loading dock will be relocated to an area adjacent to the entrance of the parking lot by Stadium Road. Cardboard recycling disposal will be relocated to the Albert Small recycling collection location.
• Road plates will be installed and accessibility to the loading dock from Stadium Road will resume by the end of the day **Sunday March 10th**.
