CONSTRUCTION ALERT
Mechanical Engineering Sidewalk/Step Replacement

ITEMS OF INTEREST:
• Beginning May 30th, the steps and sidewalk on the south side of the building near the loading dock will be closed off for demolition and replacement. Fencing will be placed securing the work site with access to the sidewalk on Engineer’s Way remaining open for pedestrian traffic.

EXIT & SIDEWALK ACCESSIBILITY
• ☐ Work blocks existing building exits, and was reviewed with OUBO prior to blockage.
☒ Work blocks existing sidewalks, and was reviewed with OUBO prior to blockage.
☐ No impact to existing building exits and sidewalks.

BACKGROUND:
• Replace the sidewalk and steps leading to the patio on the south side of the building that are sinking and failing. This project will replace both sets of steps and level the sidewalk, along with adding a drain to reduce settling.
