Alert No. 5

**CONSTRUCTION ALERT**

## Fontaine Central Energy Plant

**BACKGROUND:**

- The Fontaine Central Energy Plant will be UVA's first fossil fuel-free plant. It will initially support the new Manning Institute for Biotechnology but will eventually provide service to the entire Fontaine Park.
- The FCEP project team will be mobilizing work to install infrastructure to provide permanent power to the plant the weekend of **May 31**.

**ITEMS OF INTEREST:**

- **Monday June 2 thru Wednesday June 4** four parking spaces will need to be closed in front of the **515 Fontaine Building** to maintain access to an electrical manhole where work will be taking place and to maintain a safe perimeter around the work area.
