Alert No. 2

CONSTRUCTION ALERT

Snyder-RM 019 MRI Upgrade Fontaine Research Park

ITEMS OF INTEREST:

- The project team is working to replace a MRI in RM019 and upgrading the utilities that serve the MRI in **Snyder Translational Research Building at Fontaine Research Park**. The installation of the new MRI will be scheduled for a Saturday in early April. A new chiller for the MRI is expected to arrive **Monday, March 3rd**.
- A truck will arrive near the loading dock at Snyder around 8am and the chiller will be unloaded and set on a house keeping pad in the loading dock area.
- One lane of traffic will be closed for brief periods of time to allow for a telehandler forklift to maneuver into position, unload the truck and set the chiller.
- Flaggers will be on site to direct and maintain flow of traffic.
- Work will be completed by 10am and no further disruptions to traffic will be needed for the day.

EXIT & SIDEWALK ACCESSIBILITY

- Flaggers will assist with directing pedestrians
- The sidewalk in front of the Snyder loading dock will be closed for short periods of time while the equipment is being unloaded.
