Alert No. 05

CONSTRUCTION ALERT

Central Grounds Accessible Path, Phase 2 Survey Work: Utility Test Pits **Date: Wednesday March 18, 9:30 am – 5:30 pm**

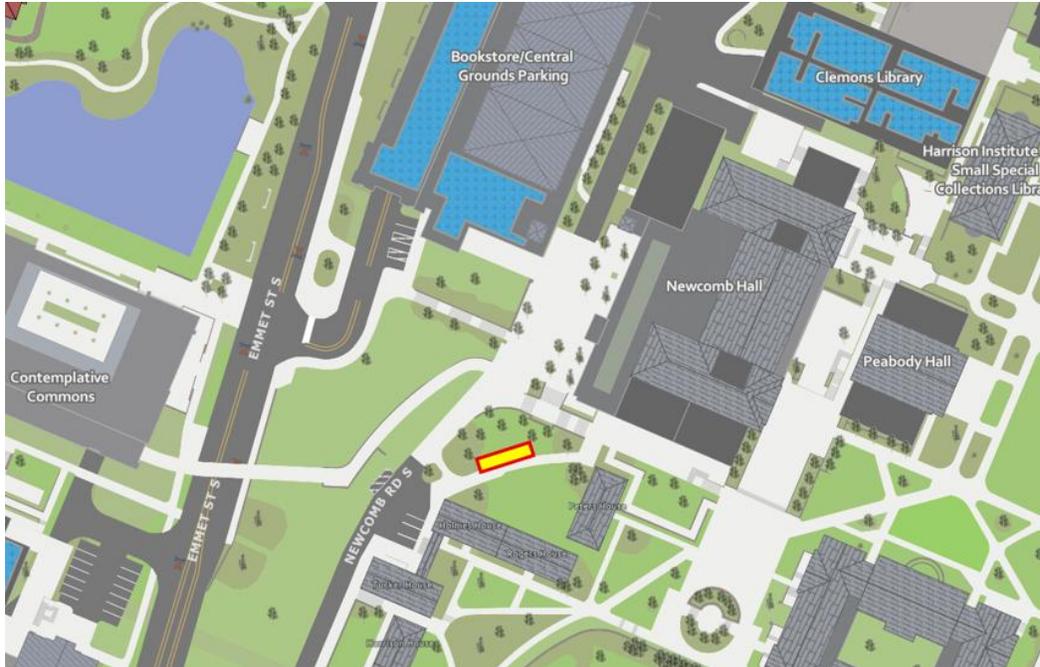

BACKGROUND:

The Central Grounds Accessible Path project seeks to expand universal design to foster, enable and empower a more inclusive UVA community. The new ADA accessible ramp will provide a barrier-free route between the Central Grounds Parking Garage and Newcomb Hall. This project is the second of two phases and construction is anticipated in 2027.

PEDESTRIANS:

A portion of the accessible sidewalk between Newcomb Road and Peters House will be closed on **Wednesday March 18, 9:30 am – 5:30 pm** to perform (additional) Utility Test Pits Survey Work for the future project. The sidewalk area where a Vacuum Truck will be located will be partially open and accessible, with cones and signage directing pedestrian traffic around the area of the parked truck.
