Alert No. 01

CONSTRUCTION ALERT

School of Data Science (SDS) Entrepreneurship Building

ITEMS OF INTEREST:

TRC, a utility locating contractor, will be performing utility test hole work **along the northern sidewalk of Ivy Rd** between Rothery Rd and the existing School of Data Science building on **Monday July 6 through Friday July 10**.

- **Work Hours:** 8:00 AM – 5:00 PM (daily)
- **Impact:** Sidewalk Closure
- **Pedestrian Access:** The section of sidewalk just south of the existing SDS and future SDS-E building sites will be closed. Pedestrians will need to utilize the sidewalk to the north, near the Ivy Corridor Stream for access around the work area.
- **Roadway Impact:** No lane closures or roadway impacts are anticipated as part of this work.

BACKGROUND:

Project consists of the construction of a new School of Data Science Entrepreneurship Building, located on the site immediately west of the existing School of Data Science Building, which was completed in 2024. The total building square footage is anticipated to be approximately 62,000 GSF, comprised of five full stories, MEP Penthouse, and a pedestrian connector bridge to the existing SDS building.

EXIT & SIDEWALK ACCESSIBILITY:

Work blocks existing building exits, and was reviewed with OUBO prior to blockage.

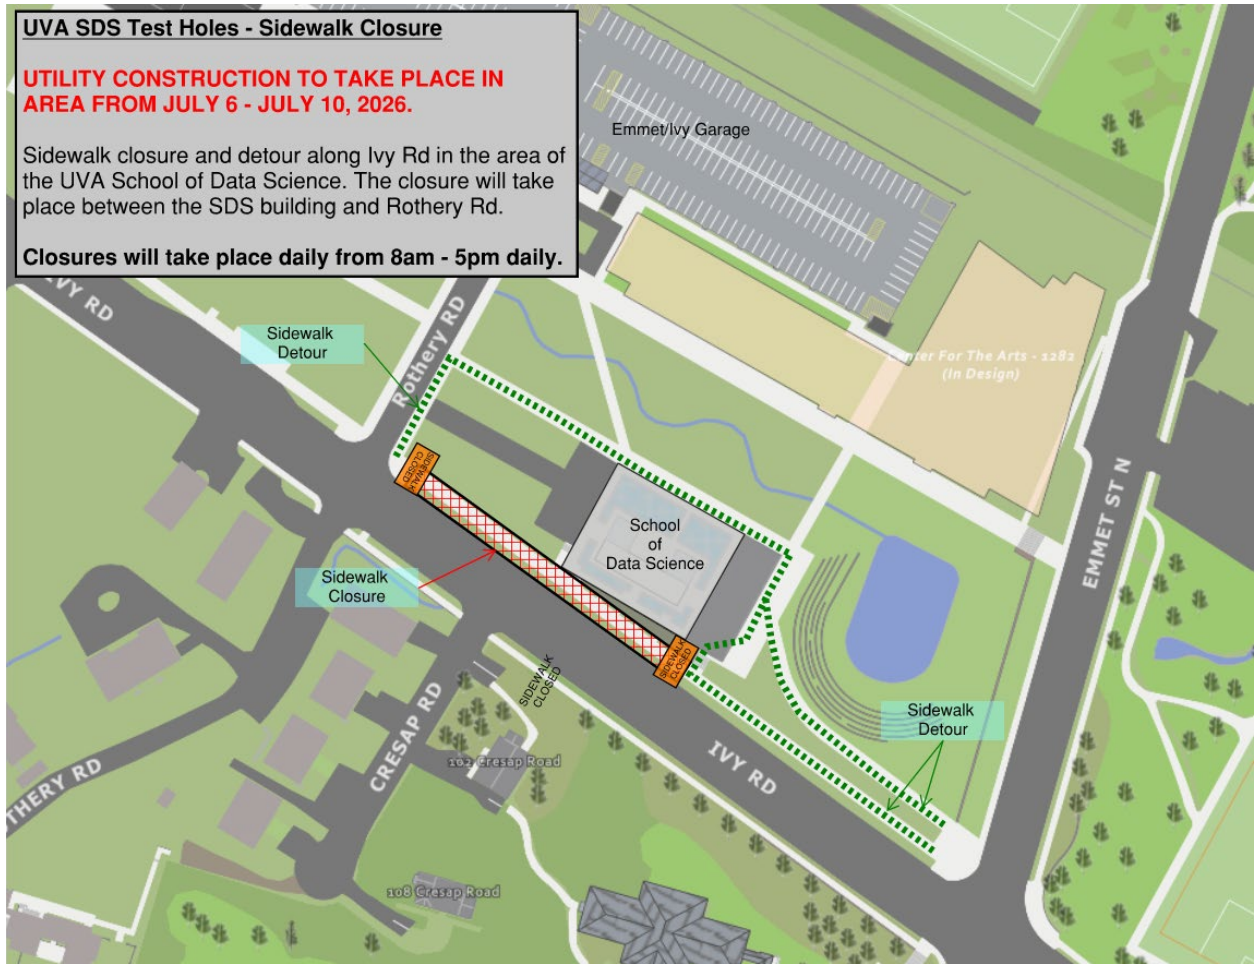

Work blocks existing sidewalks, and was reviewed with OUBO prior to blockage.

No impact to existing building exits and sidewalks.
